ABOUT THE FLORIDA CONSTITUTION REVISION COMMISSION

Once every twenty years, Florida's Constitution provides for the creation of a thirty-seven member revision commission for the purpose of reviewing Florida's Constitution and proposing changes for voter consideration. The Commission meets for approximately one year, traveling the State of Florida, identifying issues, performing research, and possibly recommending changes to the Constitution. Any amendments proposed by the Commission would be placed on the 2018 General Election ballot. For additional information, visit FLCRC.GOV.
